

Privacy Policy

Last updated: February 17, 2023

Easymeeting («us», «we», or «our») operates the <https://www.easymeeting.net/> website and the Easymeeting.net Mobile application (the «Service»).

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

DEFINITIONS

PERSONAL DATA

Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

USAGE DATA

Usage Data is data collected automatically either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

COOKIES

Cookies are small pieces of data stored on a User's device.

DATA CONTROLLER

Data Controller means a person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal data are, or are to be, processed.

For the purpose of this Privacy Policy, we are a Data Controller of your data.

DATA PROCESSOR (OR SERVICE PROVIDERS)

Data Processor (or Service Provider) means any person (other than an employee of the Data Controller) who processes the data on behalf of the Data Controller.

We may use the services of various Service Providers in order to process your data more effectively.

DATA SUBJECT

Data Subject is any living individual who is the subject of Personal Data.

USER

The User is the individual using our Service. The User corresponds to the Data Subject, who is the subject of Personal Data.

INFORMATION COLLECTION AND USE

We collect several different types of information for various purposes to provide and improve our Service to you.

TYPES OF DATA COLLECTED

Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you («Personal Data»). Personally identifiable information may include, but is not limited to:

Email address

First name and last name

Phone number

Address, State, Province, ZIP / Postal code, City

Cookies and Usage Data

We may use your Personal Data to contact you with newsletters, marketing or promotional materials and other information that may be of interest to you. You may opt out of receiving any, or all, of these communications from us by following the unsubscribe link or instructions provided in any email we send or by contacting us.

Usage Data

We may also collect information that your browser sends whenever you visit our Service or when you access the Service by or through a mobile device ("Usage Data").

This Usage Data may include information such as your computer's Internet Protocol address (eg IP address), browser type, browser version, the pages of our Service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When you access the Service by or through a mobile device, this Usage Data may include information such as the type of mobile device you use, your mobile device unique ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browser you use, unique device identifiers and other diagnostic data.

Location Data

We may use and store information about your location if you give us permission to do so ("Location Data"). We use this data to provide features of our Service, to improve and customize our Service.

You can enable or disable location services when you use our Service at any time, through your device settings.

Tracking Cookies Data

We use cookies and similar tracking technologies to track the activity on our Service and hold certain information.

Cookies are files with small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Tracking technologies also used are beacons, tags, and scripts to collect and track information and to improve and analyze our Service.

You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service.

Examples of Cookies we use:

Session Cookies. We use Session Cookies to operate our Service.

Preference Cookies. We use Preference Cookies to remember your preferences and various settings.

Security Cookies. We use Security Cookies for security purposes.

Email Tracking Pixel

Employees of Easymeetings use a tracking pixel in our CRM system to identify when and how many times you open the email sent from one of Easymeetings employee.

Sharing data during meetings

During a meeting using our Service, you may choose to share data with participants in the meeting. This data will be uploaded and will be shared between participants of the meeting. This data will also be available to the meeting host after the meeting has ended. This data will only be available for the meeting host and will not be used for advertising.

USE OF DATA

Easymeeting uses the collected data for various purposes:

To provide and maintain our Service

To notify you about changes to our Service

To allow you to participate in interactive features of our Service when you choose to do so

To provide customer support

To gather analysis or valuable information so that we can improve our Service

To monitor the usage of our Service

To detect, prevent and address technical issues

To provide you with news, special offers and general information about other goods, services and events which we offer that are similar to those that you have already purchased or inquired about unless you have opted not to receive such information

Easymeeting.net mobile and Easymeeting Camera app

The Easymeeting.net mobile and Easymeeting Camera app requesting to READ the CALL LOG to determine if you are in a phone call. And the Easymeeting.net app should reject the Easymeeting call and show it as a missed notification, if the phone is already in a phone call.

RETENTION OF DATA

Easymeeting will retain your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

Easymeeting will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of our Service, or we are legally obliged to retain this data for longer time periods.

TRANSFER OF DATA

Your information, including Personal Data, may be transferred to - and maintained on - computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those from your jurisdiction.

If you provide information to us, please note that we transfer the data, including Personal Data, to Norway, Sweden, Germany, Ireland, North America, and process it there.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

Easymeeting will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

DISCLOSURE OF DATA

DISCLOSURE FOR LAW ENFORCEMENT

Under certain circumstances, Easymeeting may be required to disclose your Personal Data if required to do so by law or in response to valid requests by public authorities (eg a court or a government agency).

LEGAL REQUIREMENTS

Easymeeting may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of Easymeeting
- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public

To protect against legal liability

SECURITY OF DATA

The security of your data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

“DO NOT TRACK” SIGNALS

We do not support Do Not Track («DNT»). Do Not Track is a preference you can set in your web browser to inform websites that you do not want to be tracked.

You can enable or disable Do Not Track by visiting the Preferences or Settings page of your web browser.

YOUR RIGHTS

Easymeeting aims to take reasonable steps to allow you to correct, amend, delete, or limit the use of your Personal Data.

Whenever made possible, you can update your Personal Data directly within your account settings section. If you are unable to change your Personal Data, please contact us to make the required changes.

If you wish to be informed what Personal Data we hold about you and if you want it to be removed from our systems, please contact us.

In certain circumstances, you have the right:

- To access and receive a copy of the Personal Data we hold about you
- To rectify any Personal Data held about you that is inaccurate
- To request the deletion of Personal Data held about you

You have the right to data portability for the information you provide to Easymeeting. You can request to obtain a copy of your Personal Data in a commonly used electronic format so that you can manage and move it.

Please note that we may ask you to verify your identity before responding to such requests.

SERVICE PROVIDERS

We may employ third party companies and individuals to facilitate our Service («Service Providers»), to provide the Service on our behalf, to perform Service-related services or to assist us in analyzing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obliged not to disclose or use it for any other purpose.

ANALYTICS

We may use third-party Service Providers to monitor and analyze the use of our Service.

Google Analytics

Google Analytics is a web analytics service offered by Google that tracks and reports website traffic. Google uses the data collected to track and monitor the use of our Service. This data is shared with other Google services. Google may use the collected data to contextualize and personalize the ads of its own advertising network.

For more information on Google's privacy practices, please visit the Google Privacy Terms web page: <http://www.google.com/intl/en/policies/privacy/>

LINKS TO OTHER SITES

Our Service may contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

CHILDREN'S PRIVACY

Our Service does not address anyone under the age of 13 («Children»).

We do not knowingly collect personally identifiable information from anyone under the age of 13. If you are a parent or guardian and you are aware that your Children has provided us with Personal Data, please contact us. If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers.

CHANGES TO THIS PRIVACY POLICY

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page, and update the «*Last updated*»At the top of this Privacy Policy

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

By continuing to access or use our Service after those revisions become effective, you agree to be bound by the revised terms. If you do not agree to the new terms, please stop using the Service.
